## Objective

In the aftermath of COVID-19, which resulted in unexpected ongoing circumstances across the country and different sectors of society has been affected to a great extent. We can see these changes in our social fabric too. Of late crime against women and domestic violence have also been observed. GGSIP University, New Delhi has taken a vow to fulfill the mandate of UGC as well as our University to sensitize the stakeholders of the education sector. It aims to discuss gender bias and stereotyping which is prevailing in our society and needs to be addressed with prompt legal and administrative intervention.
