Indraprastha Technology Law Journal
(Bi annual Journal of University School of Law and Legal Studies)

Notice inviting applications for Student-Academic Associates

Indraprastha Technology Law Journal is a bi-annual publication of University School of Law and Legal Studies, Guru Gobind Singh Indraprastha University, New Delhi. The Journal is an attempt to flag off important issues interfacing Law and Technology. It is a common knowledge that while technology runs faster and in un-precedented ways the law and its traditions evolve slowly creating a hiatus due to technological over-run. This humble attempt is for the purpose of initiating debates around emerging areas of law and technology seeking to avoid possible areas of confusion and uncertainties due to what has been termed as 'technological over-run'.

It is proposed to constitute a committee of 'Student-Academic Associates' to assist in various academic processes for the publication of the journal. Four students from BA.LL.B. and BBA.LL.B. programmes and two students from the LL.M. programme shall be selected based on writing skill test and interaction with the Editorial Committee of the journal. The selected students shall be associated in the publication processes of the journal for a period of six months. On satisfactory completion of the associate-ship the students shall be awarded certificate of appreciation by the Editorial Committee of the Journal.

The interested students may apply with a brief one page resume at itlj2020@gmail.com on or before 25th February 2020.
