INVITATION

Anxiety ,fear ,and stress are normal responses to perceived or real threats ,and at times when we are faced with such a pandemic situation, it is quite normal that many of us are experiencing fear or stress due to this. It can seem that COVID-19 has made our world very small. But maybe it's also an opportunity to widen your horizon. Rather than letting COVID-19 make those walls around you close in, take the chance to broaden your horizons and widen your world.

The GGSIPU COVID Task Force is pleased to present an online session at 03.00P Mon Jun12, 2021(Saturday) on "**Entrepreneurship :A great Career option in Covid times**" by Prof.(Dr.)Navneet Kaur, she is a seasoned Academician and Researcher, she is having 20 years of teaching and administrative experience.
