

Intellectual Property Awareness/Training Program under " National Intellectual Property Awareness Mission (NIPAM 2.0) "

University School of Biotechnology in collaboration with IPU-IIF and IPU-IPR cell organized an Intellectual Property Awareness/Training Program on 30th December 2022. The program and subsequent certification was conducted by Patent Office Delhi, DPIIT and Ministry of Commerce and Industry, Govt. of India. Prominent personalities from the Indian Patent Office were invited. The sessions were conducted by Shri Sandeep Kumar, Assistant Controller of Patents, Designs and Trademarks and Shri Pankaj Singh Rana, Examiner of Patents and Design, Patent Office Delhi, DPIIT and Ministry of Commerce and Industry, Govt. of India. The session was inaugurated by Dr. Sudeep Kumar, Director Research and Innovation. Shri Sandeep Kumar gave detailed lecture on Patents, patentability and Patent applications. Shri Pankaj Singh Rana delivered a talk on Designs and Trademarks. The Program ended with valedictory remarks by Prof A.P. Singh, Director IPU-IPR cell who aptly summed up the day with lots of new learning for the participants.

All the sessions conducted were highly interactive and saw enthusiastic participation from students. All together, 151 students, staff and faculty members attended the program. Students were given certification from the Controller General of Patents, Designs and Trademarks, Ministry of Commerce and Industry, Govt of India at the end of the program.
