Dear Sir/Madam,

Namaste!

Greetings from Unnat Bharat Abhiyan.

You are all aware that one of the major focus of the government is to create awareness about protecting the environment. In this regard an online competition under the aegis of Pariyavaran Sangrakshan Gatividhi (PSG) is being held free of cost from 01 Jul 2023 to 21 Aug 2023.

Unnat Bharat Abhiyan is a channel partner of PSG in this competition which is being supported by the Ministry of Education and Ministry of Environment, Gov. of India.

In view of the above and for Environmental awareness among students and local people. It is suggested to avail this opportunity by maximum participation.

Competition detail in this regard is attached with this email for your ready reference.

With Regards,

On behalf of,

Prof. Virendra K Vijay

**Subject:** Request for Participation of Colleges/Institutes Under Unnat Bharat Abhiyan for National Students Paryavaran Competition (NSPC) From 1<sup>st</sup> July 2023 to 21<sup>st</sup> Aug 2023.

Respected Sir,

Climate control is the top agenda under the leadership of our Prime Minister which has been widely appreciated by Global leaders. It is now a well-established fact worldwide that concerted efforts are required for climate control to avoid further degeneration which may result in irreversible consequences.

This country's present and future generations are the Torchbearers to take up cudgels against the onslaught of damage being perpetuated to our environment.

Paryavaran Sanrakshan Gatividhi (PSG), a nationwide organization is determined to take up the task of the conservation & protection of the environment, with a focus on:-

- Water management
- Elimination of plastic & biodegradable material usage
- Discourage felling of trees and encourage plantations
- Emphasizing on reuse and recycling of natural resources
- Creating awareness towards Climate Control initiatives through education
- Awareness campaign at the relevant forums.

The objective of this program is to succeed in creating awareness amongst students to comprehend in depth the complexity of the looming dangers of uncontrolled climate devastation. You would be glad to know that the above initiatives have been taken online for the past two years attended by Ten Lakh students and fifty-five thousand schools.
