**Centre of Excellence in Pharmaceutical Sciences
Guru Gobind Singh Indraprastha University
Sector-16C, Dwarka, New Delhi-110078**

F.15/GGSIPU/CEPS/2022/

Dated: 03/02/23

NOTIFICATION

The Centre of Excellence in Pharmaceutical Sciences (CEPS) Central Instrumentation Facility provides services to outside users from various industries, universities and research labs against minimal charges. Users need to get in touch through email (ceps@ipu.ac.in) with minimal human interventions. The facility will be available to internal users at 50% discounted rates through internal transfer to accounts of GGSIP University.

S.No.	Instrument Name	Academia/R&D/Industry*
1	FTIR Spectrophotometer Shimadzu	300 per sample
2	UV-visible Spectrophotometer Hitachi	150 per hour
3	400 MHz NMR, JEOL	Sample preparation charges extra – Rs 50 a) ¹ H NMR Rs. 400 b) ¹³ C and other nuclei Rs. 250 c) 2D expmnt Rs. 500 d) Deuterated solvent extra charge = 100 Rs
4	HPLC, Thermo Fischer	500 (Qualitative) 800 (Quantitative) 2500 (per hour)
5	GC, Agilent	500 (Qualitative) 1000 (Quantitative) 2000 (per hour)
6	Galvanostat/Potentiostat, Autolab for electrochemical measurements	Rs.80 for each sample/analysis Consumables: Rs.200
7	Keithley Source meter unit	Rs 80/- per sample
8	Scanning Electron Microscope (SEM), Carl Zeiss	SEM viewing 1000 per sample
9	Computational Server with Schrodinger	Rs 80/- (per hour)
10	Autoclave	Rs 300/- per run
11	Elisa Plate Reader	Rs 300/- per sample

*GST charges extra as applicable
