Call For Interns For Various Positions at start-up

AutoHunters, a Startup-Up product promoted by IPU-IIF at GGSIPPU invites applications from the students for various positions, details of which are mentioned below:

Sr. No.	Position	Role	Vacancy
1.	Writers	To Prepare automotive articles, reviews, comparison stories, industry updates, video script, SEO optimized articles, etc.	2
2.	Marketing Manager	To manage various social media handles, strategize content, follow latest industry trends, work with content writers and video editor to prepare informative and engaging posts and campaigns	1
3.	Video Editor	To edit long-format and short-format videos for various social media platforms and marketing operations	1

Interested students may contact the founder of the start-up for internship. The report of the internship can be used by students as their project report and can be submitted to their respective schools. A certificate duly signed by the start-up and IPU-IIF shall be issued on completion of the project work. Interested candidates can fill out the application using the following link/QR code-

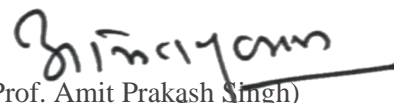

Brief Profile Of Start-Up
