

**Project positions in plant functional genomics**  
**University School of Biotechnology,**  
**Guru Gobind Singh Indraprastha University**  
**Dwarka, New Delhi – 110078**

**Applications are invited from Indian citizens for the following temporary project positions**

**DSR-SERB Project:** “Role of G-proteins in crop nutrient use efficiency: Evaluation of N/P response in G-protein (RGA1) mutant of rice”

**Positions:** 1 Senior Research Fellow

The background on the lab of the PI is available at: <http://ipu.ac.in/usbt/btraghurmain.php>. The candidates must be consistently 1<sup>st</sup> class (A grade) throughout, from 12<sup>th</sup> Std onwards. Only those holding degrees from UGC-recognized government Universities/institutions may apply. Interested candidates must email their CVs with academic details (10<sup>th</sup> Std onwards), full address, phone and email (and of 3 referees) to [raghuramlab@ipu.ac.in](mailto:raghuramlab@ipu.ac.in) by 26<sup>th</sup> Jan 2022, and if shortlisted, they may have to appear for an interview at a short notice at their own expense. The initial appointment shall be for a period of 1 year, extendible on yearly basis by the PI based on performance till December 2024 or the end of the project.

Post	Emoluments	Eligibility	Specialisation	Experience
SRF-01	Rs. 35,000/- pm + HRA	Masters degree (full time) in biology/biotechnology/agriculture/equivalent and NET JRF/LS. Age: <35 yrs	Functional genomics, plant tissue culture, rice transformation, plant mol. biology, agricultural genetics.	2 years Research Experience with relevant skills.
