Subject: Emerald Database Training Session at GGSIPU

UIRC is subscribing EMERLD Database for the benefit of University students. It is accessible from https://www.emerald.com/insight/products on University LAN and Remote access platform MyLOFT.

The University Information Resource Centre (UIRC) is pleased to organize a comprehensive training session on the **Emerald Database**, aimed at helping faculty members, research scholars, and students sharpen their research skills. This session offers an excellent opportunity to explore the platform's features, learn useful tips and tricks, and interact with the experts to ask questions or share feedback.

Participants will gain insights on how to fully utilize the Emerald Database subscription, ultimately improving their research capabilities. The training is scheduled for **Tuesday, October 15, 2024, starting at 1:30 PM** in the Computer Lab at UIRC.

We encourage **all students and research scholars of USMS** to attend and make the most of this valuable learning opportunity.
