Inviting startup applications from Women Founders

Atal Incubation Centre – GGSIPU is pleased to announce that applications are now open for the **Spark Women Founders Cohort**. This initiative is designed specifically for early-stage women entrepreneurs to address the unique challenges they face in the startup ecosystem.

Why This Program?

Women-led startups often encounter significant barriers, including limited access to funding, mentorship, and strategic networks. Despite the innovation and dedication that women bring to entrepreneurship, many face:

- Difficulty in finding the right mentorship and industry guidance.
- Struggles to scale despite working harder than their peers.
- Restricted access to key business networks and decision-makers.
- Challenges in securing investor funding due to inherent biases.

The Spark Women Founders Cohort is designed to overcome these obstacles by providing:

- Personalized mentorship from seasoned industry experts.
- Investor readiness training and guidance to enhance funding opportunities.
- Strategic business development sessions covering business model refinement, product innovation, and legal compliance.
- Exclusive networking opportunities and access to state-of-the-art incubation facilities.
