## 1. BACKGROUND AND PURPOSE

The leadership at Guru Gobind Singh Indraprastha University believes that in order to grow in the right direction feedback from all its stakeholders is necessary. The stakeholders in this process are students, their parents, alumni, faculty of the university and the employers who are providing opportunity to the students of the university. The feedback received every year from its various stakeholders has enabled university to improve its systems, policies, infrastructure, programme curriculum since its inception.

University understands that Parents have the right to know progress of their ward and their feedback is essential for the overall improvement and continuous development of university. The parents are thus asked about academic quality, information sharing and interaction with faculty, fair and transparent evaluation system, placement support and holistic development of their ward.

### 1.1 PROCEDURE

The IIQAC takes feedback from the parents of each University School of Studies every year on following parameters

1. **Academic Quality-** Under this parameters Parents are asked if academic discipline is appropriate or not in terms of timely conduct of lectures, practical and other related activities, quality of teaching and training offered to their ward.
2. **Information Sharing and Interaction-** This parameter asks parents regarding interaction with faculty and staff of the school and availability and sharing relevant information to parents.
3. **Evaluation System-** The parents are asked regarding transparency of the examination and evaluation system and effectiveness of the continuous evaluation mechanisms.
4. **Holistic Development of Student-** The parents are asked about the overall growth and personality development of their ward, balance between academics, co-curricular and sports activities, and development of soft skills, awareness about social, cultural and ethical issues.
5. **Placement Support-** Parents are asked about relevance of curriculum for attaining next level goals (further education) and placement support provided by university.

*Please Note: The feedback analysis is done only for schools where feedback is received from at least 10 or more parents.*
