Agenda Item No.33.05 : To ratify the approval granted by the Vice Chancellor for the Scheme and Syllabi of B.Ed. (Special Education) (Mental Retardation) implemented w.e.f. academic session 2012-2013.

The council ratified the action taken for implementation of the said programme w.e.f. academic session 2012-2013 with a suggestion that its nomenclature be changed to **B.Ed. (Special Education) (Mentally challenged differently able) or any nomenclature as approved by WHO**, written on its website in this regard.

Agenda Item No.33.06: To ratify the approval granted by the Vice Chancellor for the Scheme and Syllabi of B.Arch. Programme (3rd to 5th year) implemented with effect from academic session 2012-2013.

The council ratified the action taken for implementation of Scheme and Syllabi of B.Arch. Programme (3rd to 5th year) implemented with effect from academic session 2012-2013.

Agenda Item No. 33.07: To consider and approve the recommendations of the expert committee constituted to examine about the Feasibility for conduct of any new/ innovative Academic programme in the Centre of excellence in Pharmaceutical Sciences.

The recommendations of expert committee to examine the feasibility for conduct of any new/ innovative Academic programme in the Centre of excellence in Pharmaceutical Sciences and to evolve a more systematic approach for launching it were deliberated at length by the Academic council. The Academic Council approved the proposal and offered following suggestions:

(a) Prof. N.K. Chaturvedi, Advisor PGIMER, Dr. Ram Manohar Lohia Hospital advised that there are lots of legal and bioethical issues involved in conducting programmes which involve research / experiments on animals/ plants and prior permission from the relevant Government bodies is mandatory to be acquired.

(b) The members opined that designing a drug and developing it for purposeful function(s) is a long drawn process, however, in principle it was resolved that the M.Pharma. programme may be launched after initiating the centre for which budget has been allotted and space/ infrastructure earmarked.

(c) It was emphasized that necessary clearances from the Ministry of Drugs and Chemicals and other statutory bodies should be obtained before any experimental or research work is initiated. The scheme of examination and syllabus of the program to be launched will have to be designed through constitution of an expert committee.

(d) Other members further advised that experts at CDRI and ITRC, Lucknow (U.P) may be consulted to work out the priorities before starting any research programme. It was also advised that to begin with research activities, the centre may focus on synthesis of medicinal plant products to initiate and later add other important molecules / Drugs in times to come when better facilities are being created.

Agenda Item No.33.08:

To consider and approve amendment in Ordinance 30 sub-clause (ii) of clause 1 captioned Reservation for Defence Category to streamline the order of priority for claiming reservation by students for admission to various programmes.

The Academic Council approved the amendment in Ordinance 30 sub-clause (ii) of clause 1 captioned Reservation for Defence Category to streamline the order of priority for claiming reservation by students for admission to various programmes as proposed and detailed below, besides the relevant Regulation framed for implementation of Ordinance 30 sub-clause (ii) of clause 1 captioned Reservation for Defence Category appended as **Annexure – A**.
