

## The Centre for Sustainability and Climate Change (CSCC), USEM

[The Centre for Sustainability and Climate Change (CSCC) was established as *in situ* centre in the University School of Environment Management on 24.4.2023]

**Prof. Anubha Kaushik, USEM**  
**Head, CSCC**

### CSCC Working Committee

Prof. Anubha Kaushik, USEM  
**(Chairperson)**

Prof. N.C. Gupta, USEM

Prof. Deeksha Katyal, USEM

Dr. Sanchita Bansal, USMS

Dr. Kulveen Trehan, USMC

Dr.M.Sakhtivel, USLLS

Prof. Pamposh, USEM

### Objectives of CSCC:

- Identifying areas in the 17 SDGs given by the UN where GGSIPU can contribute
- Capacity building and knowledge enrichment of students (UG/PG/PhD) and Faculty in different areas of sustainability through workshops and conferences
- Starting Certificate courses/Add-on courses on Sustainability
- Organizing outreach activities for action related to different SDGs.
- Coordinating the writing of Projects for grants from various national and international funding agencies for sustainability research.
- Promoting sustainable practices and principles enshrined in our Cultural heritage.

### Activities of the Centre:
