Notice / Circular

Tremors were felt across NCR after an earthquake on 25/04/2015 and 26/04/2015. Though the magnitude was not high, the officials of University Works Division are assessing damage to the buildings in the Campus, if any, for its mitigation.

Support is solicited from all to inform this office about any kind of structural damage, if observed by them in the buildings of this campus after the earthquake, like cracks in beams, columns and / or settlement in floor / wall etc.
